

SONS-DAUGHTERS FATHERS-MOTHERS!

EVERYBODY WITH A HEART THAT LOVES SHOULD SEE THE MOST STIRRING TRIBUTE EVER PAID TO YOUTH AND FATHERHOOD IN THE CYCLONIC EMOTIONAL DRAMA

MY DAD

STARRING THE MOST FAMOUS SON IN THE WORLD

JOHNNIE WALKER

His father enmeshed in a monstrous plot—
His sweet-heart hounded by an arch-foe who sought her for himself—
His own courage tested by raging blizzards and frozen trails—
What met his astounded gaze when he peered into the lonely cabin in the heart of the ice-bound wilderness?
See it all in this amazingly dramatic story of the snow-swept North—
Cyclonic action—big heart interest—big thrills—big romance.

Entertain at Halloween Party.
Miss Margaret Postel entertained at a Halloween party last evening. Decorations were carried out in the seasons colors and a delicious two course lunch was served. Contests and games were played during the evening.

H. M. Wells, poultry specialist of the extension service was in Lincoln county yesterday and will be here today and tomorrow. He is meeting groups of farmers and discussing the question of accrediting their poultry flocks. Yesterday he was to be at Pignell at 9 a. m. and at C. A. Discos farm near Brady at 2 p. m. Today he was scheduled to be at the Robt. Hendricksen farm at 9 a. m. and at the Birkby farm near Stapleton at 2 o'clock. On Saturday he is to be near Sutherland in the morning with no date set for the afternoon.

The football team left this morning for Bayard, taking the branch train. Coaches Rootger and Neville were with the team. Stroup and McWilliams will not make the trip on account of injuries, but Hubbard, Reator and Tout will be able to go into the game if needed. It is reported that Bayard has won all of its games so far this year and that it is preparing to keep its slate clean today. Press reports say Mr. Neville is to be the chief speaker at a political rally to be held at Bayard tonight and that the whole city will be out to hear him.

Some of the ladies have been inquiring about Theodore Lowe who is a candidate for County Clerk. They want to know if he is married. We suppose they question whether he would be a good County Clerk unless he had a wife to keep him straight. There is some reason in that although we have known some fellows who had good wives and yet could not keep straight. But Mr. Lowe is safe on any score for he is happily married and has kept straight in every particular. His many warm friends are his best supporters because they know him best.

Convincing Argument.
A counsel for the defense once got the better of Judge Bramwell. He requested leave to address the jury in Welsh, of which Bramwell was ignorant. It was a simple case, and permission was given. Counsel said only a few words, and the judge left the decision to the jury with little comment from him. He was, however, startled at the prompt verdict of acquittal.
"What was it," he inquired afterward, "that the learned counsel said to the jury?"
"Oh," was the reply, "he just said, 'This case, gentlemen, lies in a nutshell. You see yourselves exactly how it stands. The judge is an Englishman, the prosecuting counsel is an Englishman, the complainant is an Englishman. But you are Welsh, I am Welsh, and the prisoner is Welsh. Need I say more? I leave it to you.'"

YOUR BANK AND YOUR PROSPERITY

A bank is a reservoir in which the deposits of a great many people are brought together for the benefit of the entire community.
If the money in the reservoir runs low, there will be a shortage of cash for the daily needs of trade; credit will be difficult to obtain; there will be no funds for the expansion of business, for improving the farms, for keeping the community busy and prosperous.
Each depositor can help "good times" along by doing his part to keep the reservoir filled; each borrower can help by repaying promptly the loans he has obtained at the bank.
The Platte Valley State Bank invites your co-operation in keeping North Platte prosperous.
